The Universal DataFlow Workflow

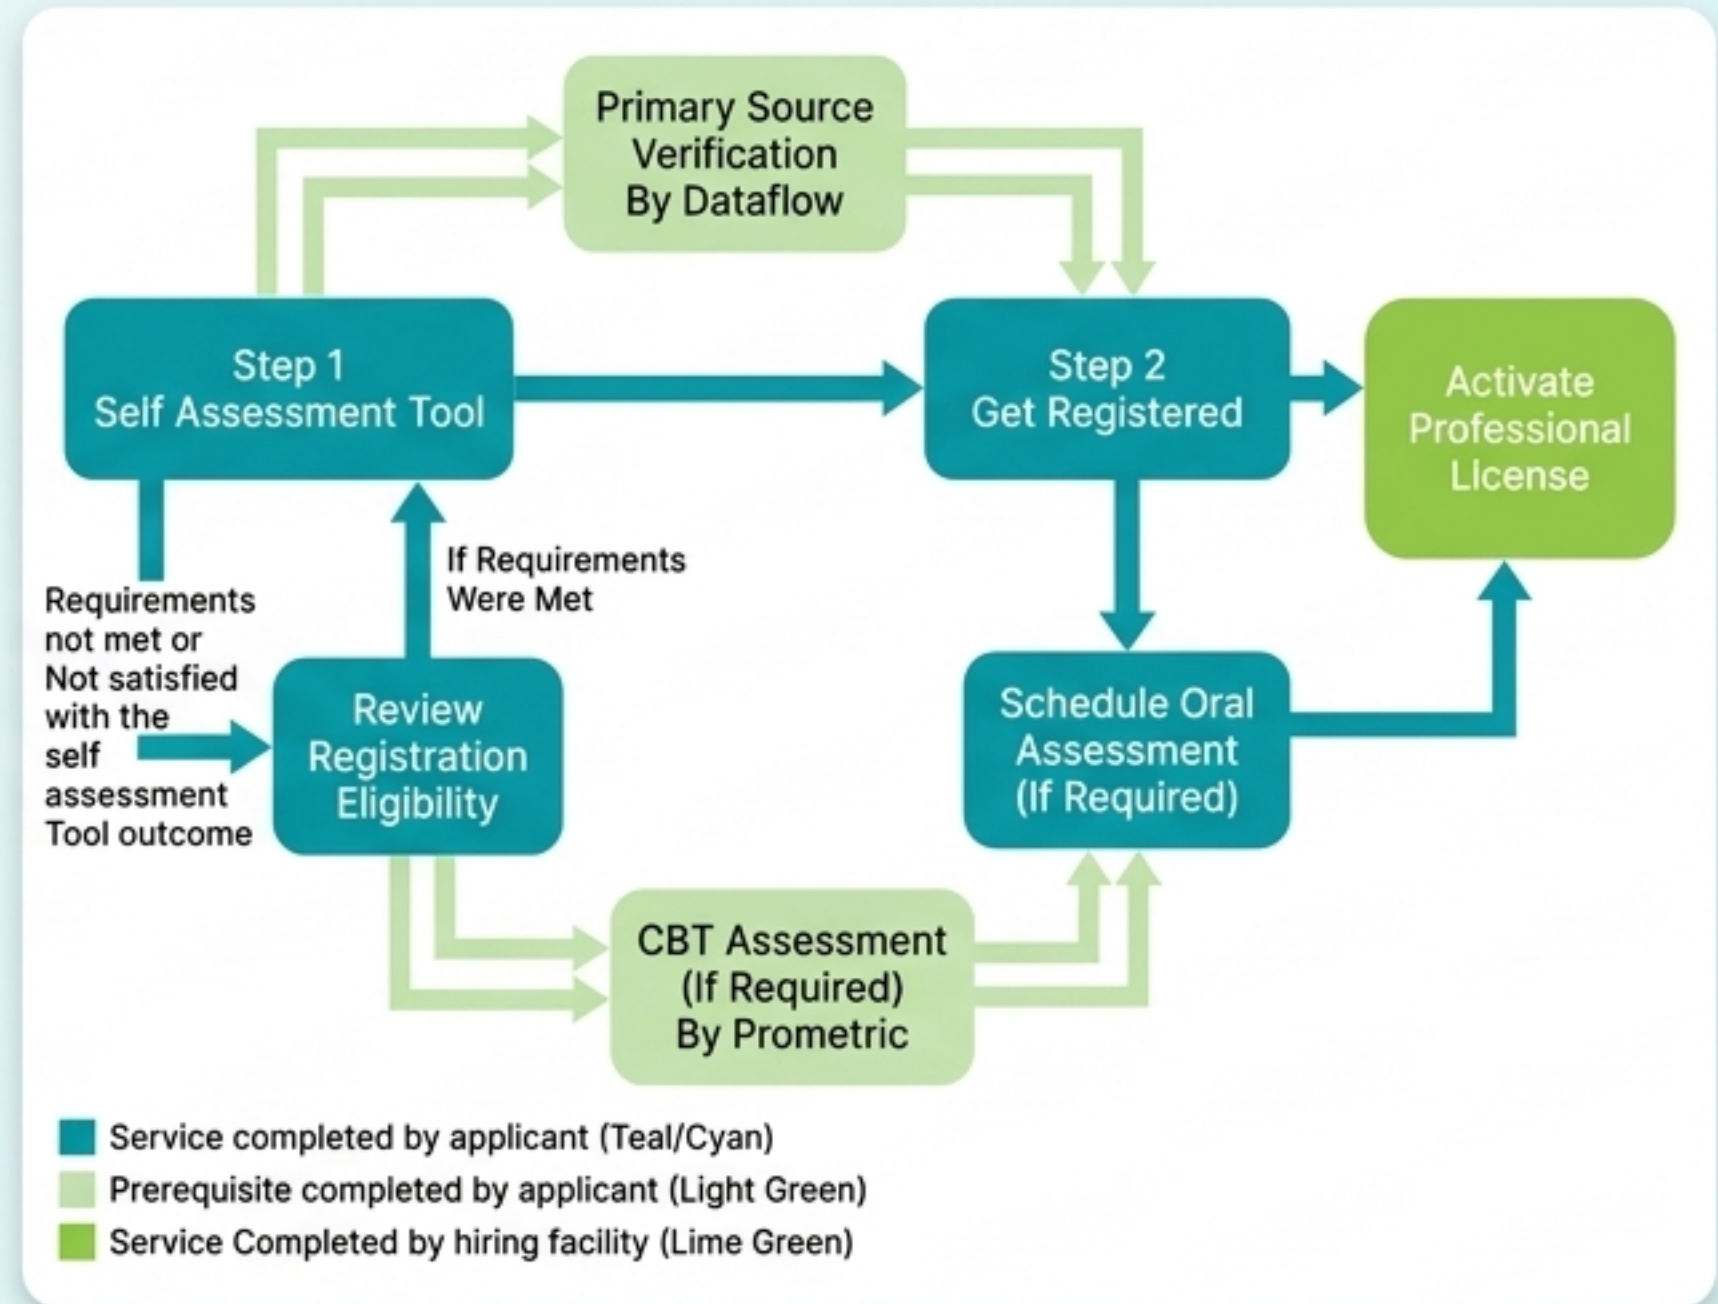

Pathway 1: DHA Dubai via Sheryan

APPLICANT PATHWAY STEPS

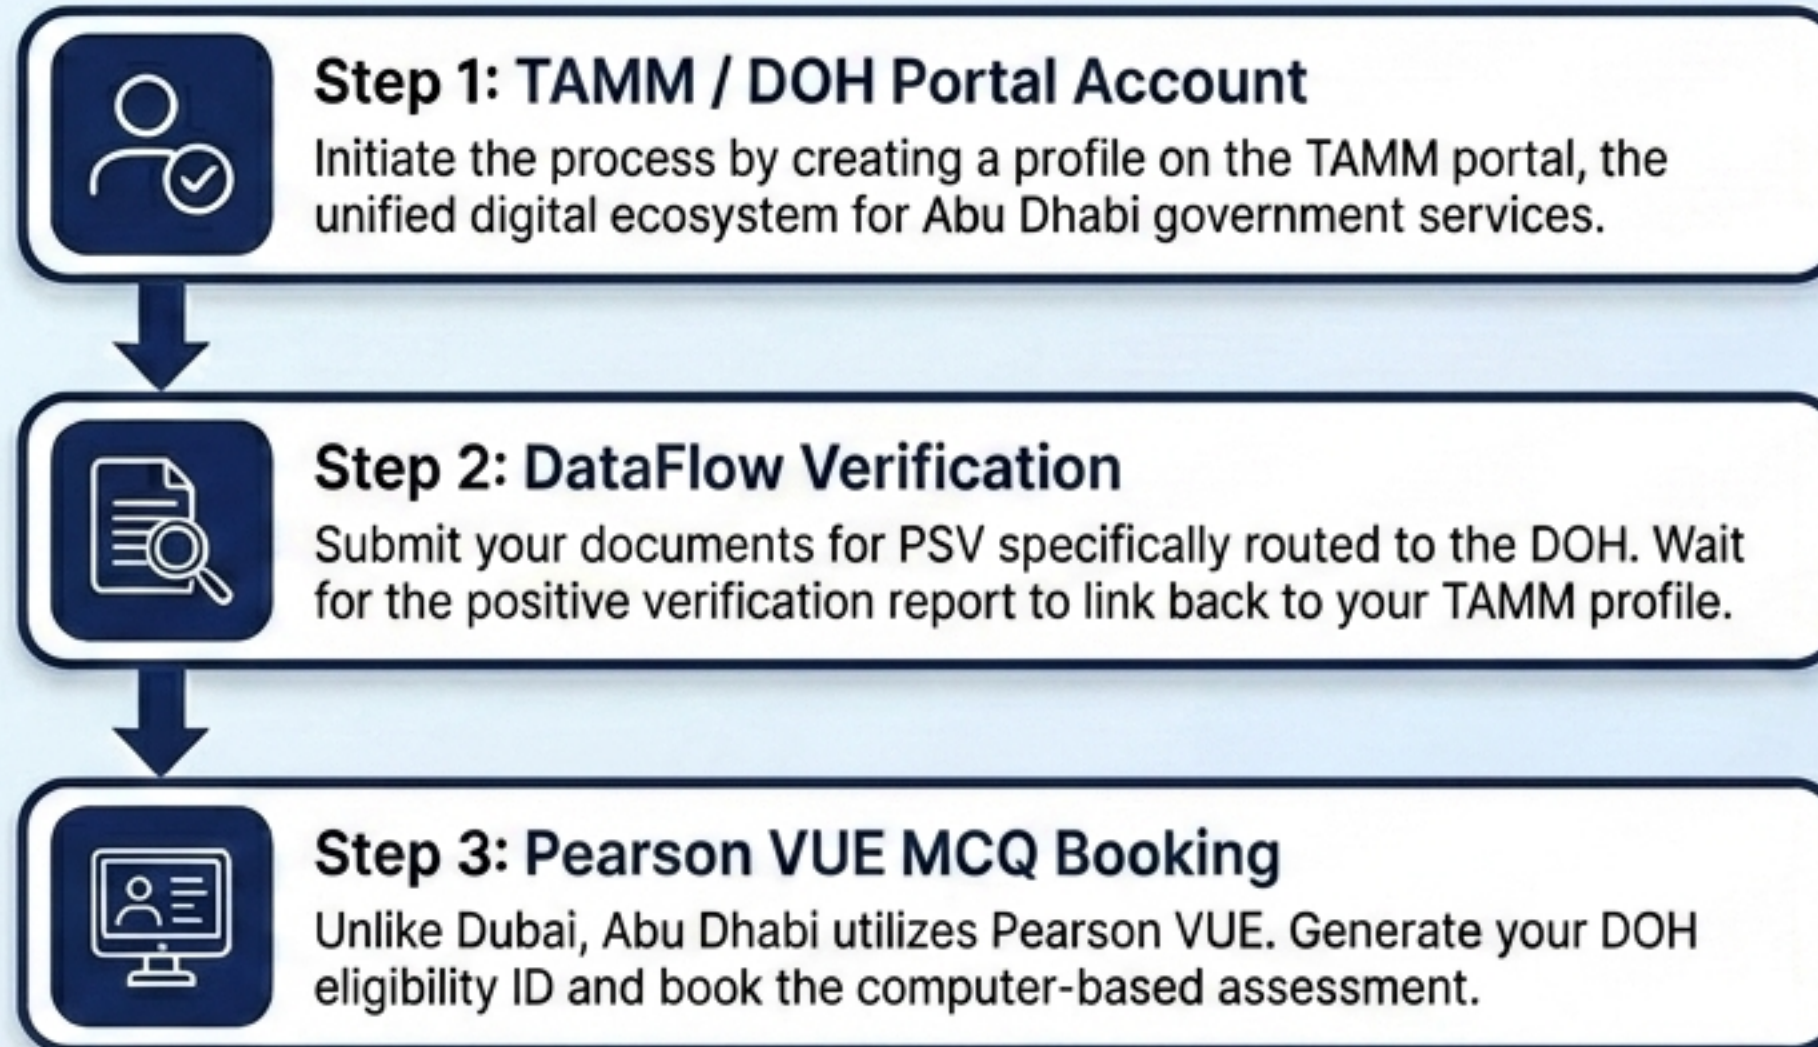

SHERYAN REFERENCE DIAGRAM

Pathway 2: DOH Abu Dhabi & Al Ain

APPLICANT PATHWAY STEPS

IMPORTANT NOTE

Important Note

Important: Abu Dhabi strictly requires passing the Pearson VUE exam; Prometric results from other emirates do not automatically transfer without specific equivalency steps.

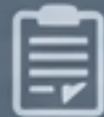

Pathway 3: MOHAP Northern Emirates

APPLICANT PATHWAY STEPS

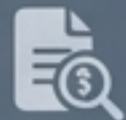

Step 1: UAE Pass Login

Access the MOHAP portal via UAE Pass and select "Health Professional Evaluation".

Step 2: Submit Request

Specify your category, specialty, and experience level (Entry-Level to Expert).

Step 3: Link DataFlow & Pay

Link your UAE Pass to DataFlow. Wait for draft completion. Pay the 500 AED application fee for Physicians.

Step 4: Prometric CBT & Oral Exam

Pass the written Prometric exam, then schedule the Oral Assessment. Candidates have a maximum of 3 attempts for the oral exam (250 AED per retake).

Executing the Examination: Provider Mechanics

Prometric (DHA & MOHAP)

Once registered in Sheryan or MOHAP, an eligibility number is automatically generated.

Use this specific ID on the global Prometric site to schedule your Computer-Based Test (CBT) at an approved physical testing center.

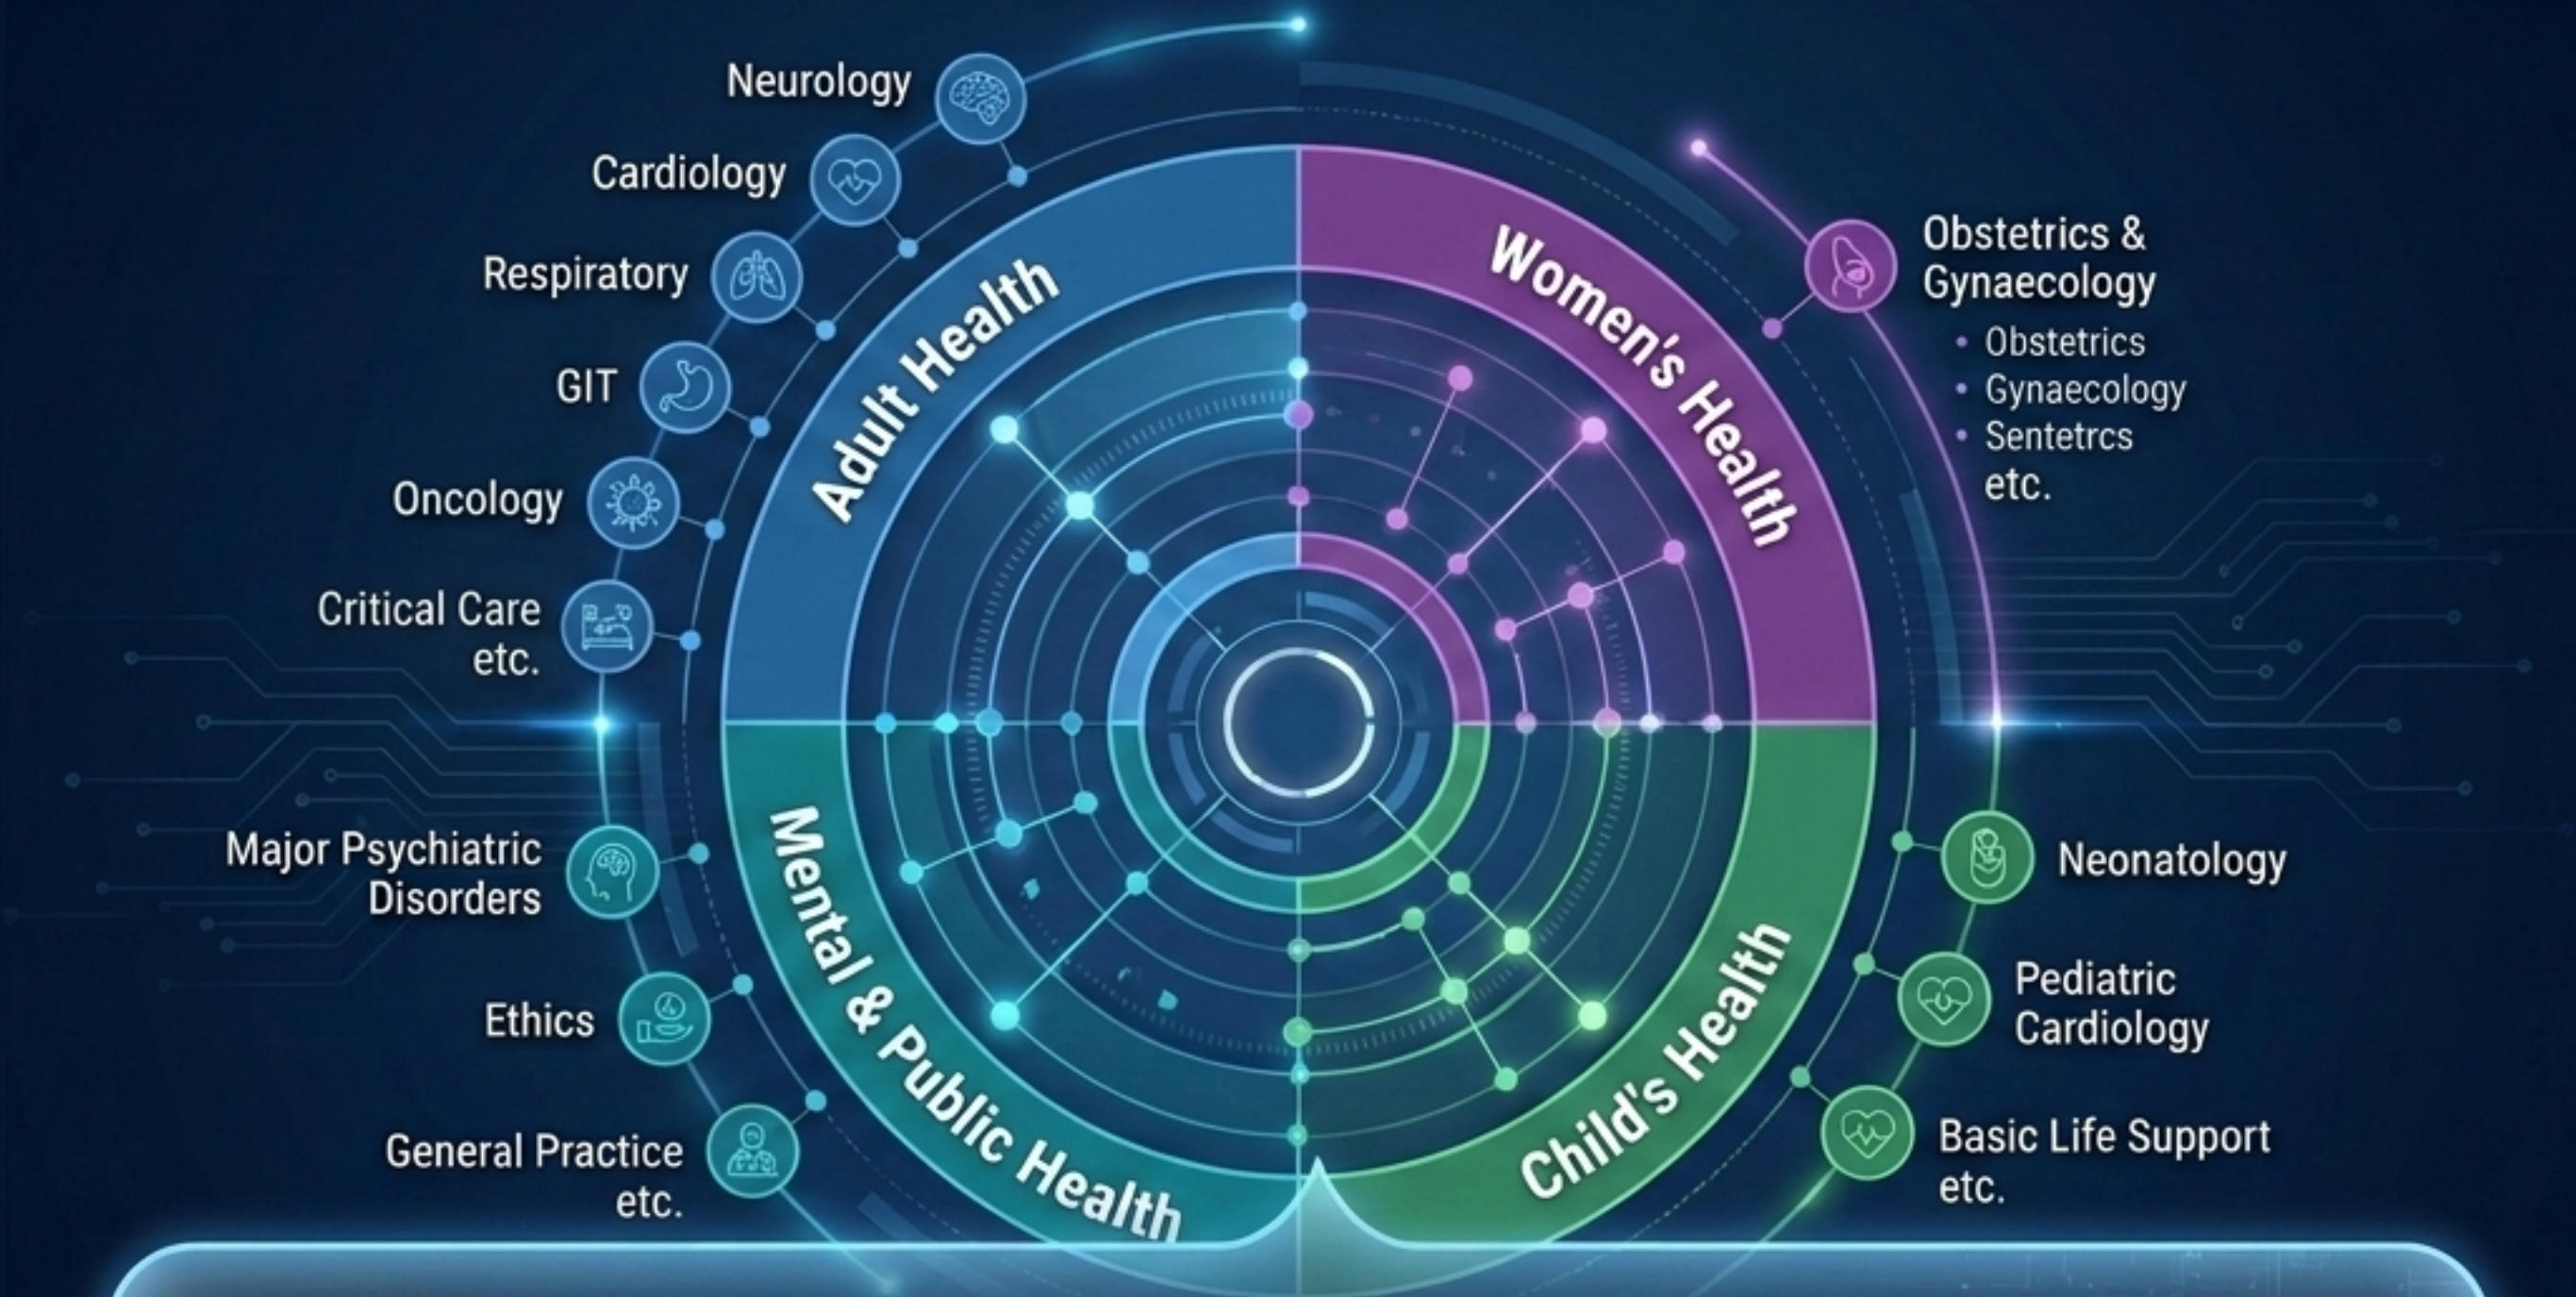

Pearson VUE (DOH)

After your TAMM profile approval and PSV completion, DOH issues a specific eligibility ID.

This ID is strictly required to access the dedicated Pearson VUE DOH portal, where you will select your test date and location.

The Assessment Challenge: Navigating the Medical Syllabus

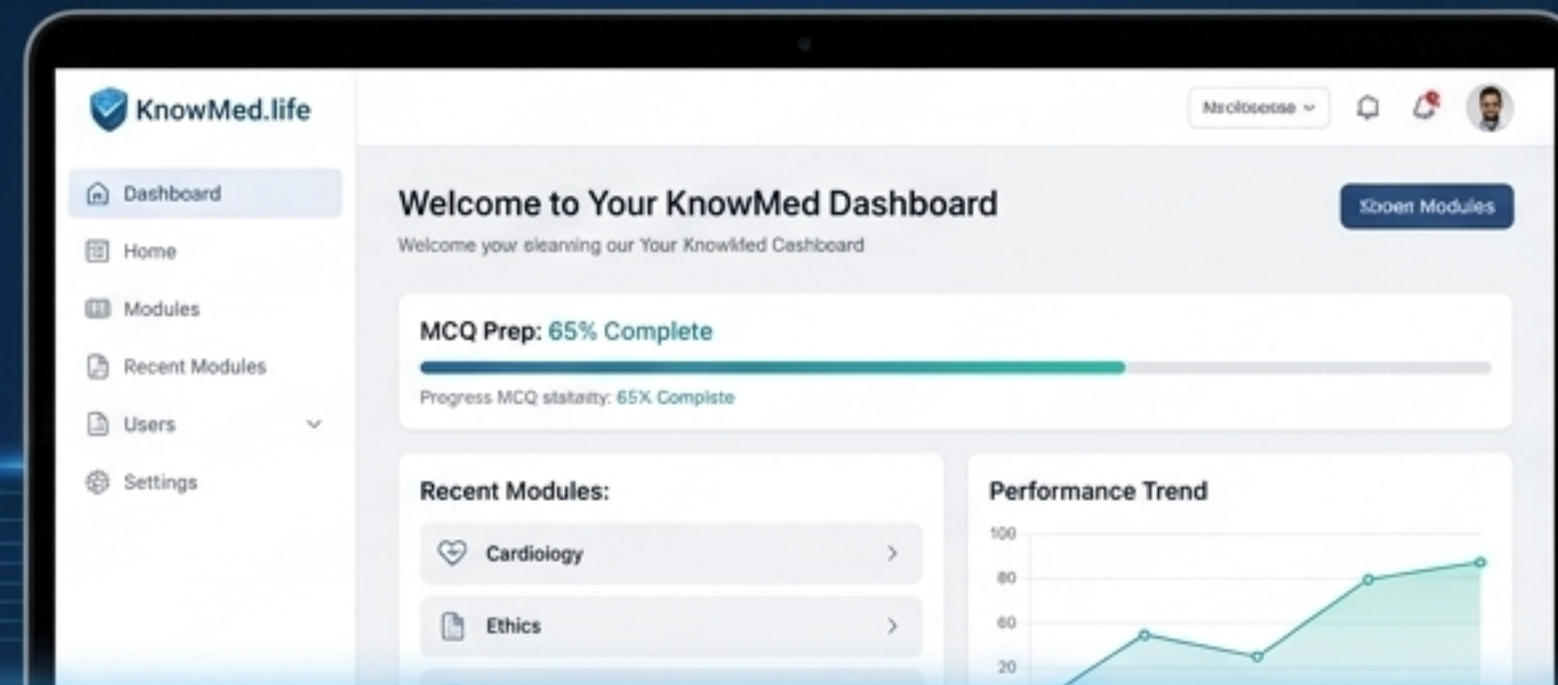

The GP exam doesn't just test depth; it tests relentless breadth. Success requires mastering clinical tasks across highly diverse patient groups. This is where most candidates fail.
